

Charges for photographic services

effective from: January 1st, 2025

Reproduction and publication fees

Reproduction and publication fees are charged per object. The transfer of the one-time, non-exclusive right of use is made exclusively for the requested and agreed purpose of use. Users must renew their application to obtain the right to republish the media in a new edition or reprint.

Unless otherwise agreed, the rights of use are granted for one country. For world rights, a surcharge of 100% of the corresponding usage fee will be added to the total edition.

Use for scientific purposes

e.g. exhibition catalogues, academic publications, Bachelor/Master's theses, doctoral dissertations, school and text books	free of charge
--	----------------
